BILL NUMBER: SB 194

DATE PREPARED: Dec 14, 2001

BILL AMENDED:

SUBJECT: Clean Manufacturing Technology Board.

FISCAL ANALYST: Bernadette Bartlett

PHONE NUMBER: 232-9586

**FUNDS AFFECTED: X GENERAL
DEDICATED

IMPACT: State

Summary of Legislation: This bill provides for appointment of members of the Clean Manufacturing Technology Board. One member must be from a public university in Indiana and one member from a private university in Indiana. The bill eliminates the requirement that one member from a university must have expertise in occupational health and the workplace environment. The bill also corrects a cross-reference.

Effective Date: July 1, 2002.

Explanation of State Expenditures: An appointed member of the board is not entitled to per diem, but is entitled to reimbursement for traveling expenses. The proposal does not change the number of appointed members, but does change whom one of the members represents. A change in expenditures would occur only if the new member's traveling expenses differed from those of the current member who is being replaced. The impact is not expected to be significant.

Expenses incurred by the Clean Manufacturing Board are paid by the Department of Environmental Management using State General Fund appropriations for pollution prevention.
